

# OSSAPCON 2025 VIZAG

Jan 31<sup>st</sup>, Feb 1<sup>st</sup> & 2<sup>nd</sup>, 2025

**Organized by**

North Andhra Orthopaedic Association (NAOA)  
Department of Orthopaedics, Andhra Medical College, KGH

The 54<sup>th</sup> Annual Conference of  
Orthopaedic Surgeons Society of Andhra Pradesh

**THEME : EXCELLENCE ACROSS ALL DIMENSIONS**

**VENUE:** VMRDA Children's Arena, Siripuram, Visakhapatnam, Andhra Pradesh 530002

## SCIENTIFIC PROGRAMME

# OSSAPCON 2025 VIZAG

## WELCOME TO 54TH OSSAPCON VIZAG

During my venue visit, I had the opportunity to interact with the Organising Committee.

Their enthusiasm, unity and planning are exceptional. I congratulate the organizing committee for making the conference a memorable one both academically & socially.

Eagerly waiting to meet you all at Vizag

Regards,  
**Dr. V. Sunanda Kumar Reddy**  
President,

## 2025 VIZAG

Respected seniors,  
colleagues and friends,

It's with great responsibility and gratitude,  
I stand and welcome you all to 54th annual  
conference of OSSAP

Our Society has been at the forefront of quality orthopaedic academic  
discussions and discourses for the past six decades.

Seniors and other members have been motivating to bring innovative &  
interesting methods of teaching to make academic programmes more  
interesting and engaging. This has been a year of activity wherein we  
could register our esteemed organisation, website updates & attempts  
made to make fellowship programmes more interactive and educative  
henceforth with cooperation of all members of OSSAP

Look forward on many forefronts in building up our OSSAP like enhancing  
member engagement, advancing training and education, support  
innovations and research greater collaborations and improving financial  
health.

Humbly submit to work with all members to make our association stronger  
and continue improving OSSAP

Together we can achieve

Regards,

**T Vijay Krishna Reddy**  
**Secretary General**

|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------|
| 12.30 - 12.33 | Comminuted Distal Femur Fractures Present A Challenging Scenario In Orthopedic Trauma Management Due To The Complexity Of Fracture Patterns And Compromised Bone Stock. | Dr. M.Madhusudhan Reddy           |
| 12.34 - 12.37 | Lateral Collateral Ligament Reconstruction With Larson'S Technique In A Young Active Patient: A Case Report                                                             | Dr. Shaik Makbool                 |
| 12.38 - 12.41 | Gunshot Injuries To The Radius Present Unique Challenges In Orthopaedic Management, Often Resulting In Significant Bone Loss And Instability                            | Dr. Uppara Rama Manohar           |
| 12.42 - 12.45 | POPLITEAL PSEUDOANEURYSM SECONDARY TO OSTEochondroma OF FEMUR                                                                                                           | Dr. P.SRAVAN KUMAR                |
| 12.46 - 12.49 | CASE REPORT OF TUBERCULOUS SEPTIC ARTHRITIS OF METATARSOPHALANGEAL JOINT AND TUBERCULOUS OSTEOMYELITIS OF PROXIMAL PHALANX TREATED WITH MASQUELET TECHNIQUE             | Dr. V.Lakshmi Madan               |
| 12.50 - 12.53 | TIBIALIZATION OF FIBULA IN A CHILD WITH CHRONIC OSTEOMYELITIS OF TIBIA WITH 70% BONE LOSS.                                                                              | Dr. AJINKYA MORE                  |
| 12.54 - 12.57 | A RARE CASE REPORT OF POSTERIOR HIP DISLOCATION WITH POSTERIOR WALL OF ACETABULUM FRACTURE WITH NECK AND HEAD OF FEMUR FRACTURE                                         | Dr. SAIPAVAN MEDARAMETLA          |
| 12.58 - 13.01 | MALIGNANT TRANSFORMATION IN FEMORAL OSTEObLASTOMA: TREATMENT WITH RESECTION AND VASCULARIZED FIBULAR GRAFT                                                              | Dr. SHAIK SIKANDER MOHSIN         |
| 13.02 - 13.05 | CHONDROBLASTOMA AFFECTING APOPHYSIS OF GREATER TROCHANter IN A CHILD                                                                                                    | Dr. SUPRIYA ALAMURU               |
| 13.06 - 13.09 | TOTAL ELBOW ARTHROPLASTY IN A BONY ANKYLOSIS SECONDARY TO CONTRACTURE                                                                                                   | Dr. Dushyanth Bandaru             |
| 13.10 - 13.13 | HINGED ABDUCTION PERTHES TREATED WITH SAFE SURGICAL BK DISLOCATION ,CHIELECTOMY AND RELATIVE NECK LENGTHENING                                                           | Dr. N. RAGHAVENDRA                |
| 13.14 - 13.17 | Use of Combined Intravenous and Intra-articular Tranexamicacid in Total Knee Arthroplasty - Evaluation of Benefits                                                      | Dr. Deva Phani Sai Kumar. Bathula |
| 13.18 - 13.21 | GAENSLER'S SPLIT HEEL INCISION FOR CALCANEAL OSTEOMYELITIS-A Case Report                                                                                                | Dr. Sabarishwaran                 |
| 13.22 - 13.25 | CASE SERIES - 15 CASES OF KAPLAN LESION (COMPLEX MCP DISLOCATION) TREATED BY VOLAR OR DORSAL APPROACH                                                                   | Dr. SAYAM GHOSH                   |
| 13.26 - 13.29 | Moderate to Severe Hallux Valgus Correction with Minimal Incision Distal Metatarsal Osteotomy - A Radiographic case series                                              | Dr Saifuddin Mohammad             |
| 13.30 - 13.33 | CASE REPORT OF A RARE CASE OF FEMORAL NECK OSTEochondroma EXCISION THROUGH FERGUSON'S APPROACH                                                                          | Dr. BALA NAGA SRIKAR AKKENA       |
| 13.34 - 13.37 | Secondary reconstruction of flexor digitorum profundus tendon using silicone catheter                                                                                   | Dr. R.K. Naik                     |
| 13.38 - 13.41 | Constriction Ring Syndrome of the Right Leg in a 2-Month-Old Female Baby: A Case Report of Constriction Band Release and Z- Plasty                                      | Dr SREEVISHNU S                   |
| 13.42 - 13.45 | TOMMY JOHNS SURGERY IN ACUTE TRAUMATIC POSTEROMEDIAL ROTATORY INSTABILITY OF ELBOW                                                                                      | Dr. PARTH R. DODIYA               |
| 13.46 - 13.49 | PIGMENTED VILLONODULAR SYNOVITIS OF FOOT : RARE TUMOR MIMICKING COMMON PATHOLOGIES                                                                                      | DR. ARUN MANAS TALLAPUDI          |
| 13.50 - 13.53 | BILATERAL MADELUNG DEFORMITY OF WRIST JOINT MORE ON LEFT SIDE TREATED WITH ULNAR SHORTENING OSTEOTOMY AND RADIUS CORRECTIVE OSTEOTOMY- A CASE REPORT                    | Dr . M . ARUN SAI                 |

| OSSAP25VSKP-0557 | Incidence Of Delirium In Geriatric Patients With Hip Fractures                                                                                                                                                     | Dr. Shaik Saddam Hussain         | PG         | 8790251045  |
| OSSAP25VSKP-0181 | Functional Outcome Of Unstable Trochanteric Fractures Treated With Proximal Femoral Nail                                                                                                                           | Dr. Srinivas Gantla              | PG         | 98661 35458 |
| OSSAP25VSKP-0230 | Functional Outcome Of Cross Pinning Verses Lateral Pinning In Supracondylar Fractures Of Humerus In Children                                                                                                       | Dr. Puli Mounika                 | PG         | 8125157098  |
| OSSAP25VSKP-0535 | Management Of Periarthritis Shoulder By Intra-Articular Steroid Injection And Shoulder Joint Manipulation                                                                                                          | Dr. Menda Rajesh                 | PG         | 9441966549  |
| OSSAP25VSKP-0253 | Comparitive Functional Outcome Of Patella Fractures Surgically Operated Through Tension Band Wiring Vs Plating                                                                                                     | Dr. Vankadavathu Ravi Kumar Naik | PG         | 8297499293  |
| OSSAP25VSKP-0203 | Subtrochanteric Femoral Fractures Are Common In Orthopaedic Practice, Often Leading To High Stress On Implants, Resulting In Failure And Varus Collapse                                                            | Dr. Reddipalli Gayaz Ali Khan    | PG         | 9440779042  |
| OSSAP25VSKP-0210 | Monteggia Fracture Dislocation Is A Rare And Complex Injury                                                                                                                                                        | Dr. Battula Deva Phani Sai Kumar | PG         | 9100593479  |
| OSSAP25VSKP-0149 | Femoral Neck Fractures Are Prevalent Issues In Patients Over 60 Years And Often Necessitate Hemiarthroplasty (Ha) To Allow Immediate Postoperative Weight-Bearing And Minimize Complications Related To Immobility | Dr. Shaik Mohammad Abbas         | PG         | 8639023629  |
| OSSAP25VSKP-0109 | Intertrochanteric Fractures Are One Of The Most Common Fractures Of The Hip                                                                                                                                        | Dr. Divya Sirugudi               | PG         | 9100505339  |
| OSSAP25VSKP-0600 | The Incidence Of Neurogenic Thoracic Outlet Syndrome In The Indian Population Based On Clinical Evaluation                                                                                                         | Dr. Maram Samrat                 | Consultant | 9966880086  |

## Hall A Incharge

Dr L Loknath & Dr Somasekhar & Dr V V Rajasekhar

## Hall B Incharge

Dr MCS Naidu & R Rajesh Reddy & Dr Kishore & Dr Ram Sai

## Hall C Incharge

Dr Santhosh Karunakar & Dr Sarath Sharma & DR Sivaramaraju

## PG sessions & Papers Incharge

Dr Atchyuth Ampollu & Dr Rajini Kumar & Dr Arun P & Dr Sunil

## Audio visual Incharge

Dr Vaibhav naidu

## Quiz Master

Dr Prabodh kumar  
Dr Mani Kumar
